

Junior Pioneer Program

Log Cabin Village
FORT WORTH · TEXAS

Applied Learning Academy Project by Kevin Price

What to do:

You are starting the Junior Pioneer Program. You will be learning how pioneers lived back in the 1800s. This is what you need to get the Certificate of Achievement:

1. Walk the entire path of the Village.
2. Visit each cabin.
3. Complete each page of this booklet (it is okay to get help from your parents).
4. Turn in your completed booklet to the front desk in the gift shop to receive your own **Certificate of Achievement**.

Artifact Evolution

See if you can figure out what modern items evolved from. Hint: look for the items at the locations noted in parentheses. The first one has been completed for you.

Lawnmower (Shaw Cabin)	Scythe
Washing Machine (Parker Cabin)	
Light Bulb (Several Cabins)	
Toilet (Several Cabins)	
Box Springs and Mattress Bed (Several Cabins)	
Gas/Electric Stove (Most Cabins)	
Car (Outside)

Interview with a Docent/Historical Interpreter:

Find a historical interpreter (someone in historic clothing) to answer these questions for you:

1. What is your name?

2. How long have you worked here?

3. What do you do here?

4. What is your favorite part of your job?

5. Why did you become a historical interpreter?

6. What do you think is the most interesting thing about Log Cabin Village?

Pioneer Life

The pioneers lived in log cabins. As you walk the entire trail in the Village, study each cabin and then do the following:

1. Draw your own cabin.
2. Pretend you live in this cabin. Write a journal entry about what might have happened to you at the cabin one day. Be sure to include the date. For example: November 5, 1834.

You can use the paper provided at the end of this booklet. Be sure to give your drawing and journal entry to the gift shop staff. Then we can put them in our *Junior Pioneer* binder for other visitors to view and enjoy!

Have fun!
